

IN THE MATTER OF:

Wyboo Plantation Utilities, Inc.'s
Application for Extension of Service Area

AFFADAVIT

Personally appeared before me, William T. Gregory, III, who first being duly sworn deposes and says:

1. I am William T. Gregory, III and I was a contract agent for Land Promotions which was the original developers of the Wyboo Plantation area of Clarendon County, South Carolina.

2. Wyboo Plantation Utilities, Inc was a wholly owned subsidiary of Land Promotions, Inc. and the original water and sewer utility for the development.

3. On October 23, 1998 Wyboo Plantation Utilities, Inc requested from Clarendon County Planning Commission that additional areas adjacent to Wyboo Plantation be added to the utility service area.

4. The request for an extension of the service area was granted by Clarendon Planning and Public Service Commission by letter dated November 10, 1998, a copy of which is attached as Exhibit A.

5. Thereafter, water and sewer service was connected within the expanded area and service has continually been offered since that day.

6. On or about March 30, 2001, Wyboo Plantation Utility, Inc. was part of a stock sale and Mark S. Wrigley purchased the stock of Wyboo Plantation Utilities, Inc and forty-eight (48) customers were being served in the requested extended area at that time.

7. The Public Service Commission of South Carolina by order dated August 15, 2001 approved the transfer of the utility service to Mark S. Wrigley who has continued to service and expand service in the requested expanded area and now serves over one hundred (100) customers.

8. As an agent of the seller, I and my firm were under the impression that when the Public Service Commission approved the transfer of utility service in August 2001, that the Commission had also approved the county's prior approval of the expansion of the service area.

9. I believe that it is in the best interest of all parties that the Commission approve the requested water and sewer franchise extension as submitted on the Timmons Engineering plat dated March 19, 2007 and revised March 26, 2007.

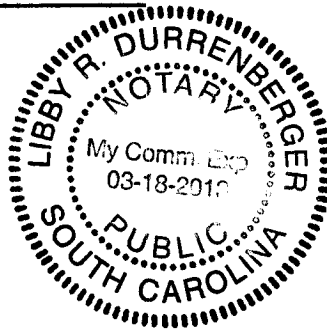

Witness my hand and signature this 26th day of July, 2007.
